On entering on any booking either via the online booking system or via reception you agree to abide by all the fishery terms and conditions. You also understand that you may be asked by a fishery bailiff to reel in your rods for inspection at any time and that your vehicle may also be inspected.

We are open for fishing all year excluding Christmas day and Boxing Day.

- The fishery is strictly for anglers only – **We are not open to any Day Visitors**; we are strictly booked clients / checked in clients only.
- If you have an overnight guest they must be signed in & a camping fee must be paid at reception-(see campsite price list for seasonal variations) this is to cover the usage of amenities such as the toilets & showers. Any other friends or relatives who wish to stay must do so in the camping field or any of the other accommodation at Wyreside Lakes.
- Access to the Lakes with vehicles is via the gravel track. All vehicles on the Fishery must abide by the 10 mph speed limit. Cars must be parked in the designated parking areas. Vehicles must not be parked alongside or at the back of the swims unless parking spaces are allocated - i.e. all roadside swims on Sunnyside 1, Sunnyside 2 and River lakes and also swims 1-5 on Banton's. Under no circumstances should vehicles be driven around the lakes or on any grassed areas.
- Anglers should note that the Fishery entrance will be secured at night. The main gate will be locked at 10.30pm and re-opened at the scheduled times. There is an emergency service for overnight anglers but this is strictly for serious emergencies only. Work call outs and disputes are not classed as an emergency.
- The security barrier is manned during the following seasons / times: April to October 7am until 7pm. 1st November until 31st March 8am until 5pm.
- Please ensure that you keep all your fishing tackle and equipment within eyesight, where possible, leave your bivvy door unzipped and open. Any equipment such as spare rods, spod or marker rods, bank sticks etc not being used should be packed down and stored in your car or bivvy. Wherever possible try to fix the volumes on your alarms so they cannot be removed without noise. Please report anything suspicious, 24hrs a day, to our bailiffs on either- or 07715490325 or 07739039307 or 07947772026. If possible make sure all your fishing tackle is insured for use on the bank, both day and night. Most reputable insurers will cover this if asked. The tackle company, Korda, now offer a specific insurance for anglers. Unfortunately thieves do operate in this area (as commonly found in and around most commercial fisheries) although we have CCTV cameras, a barrier and the main entrance gate; there are several other access points around the fishery and public rights of way which are difficult to monitor 24hrs a day.
- We reserve the right to close the lake by advance notice for purposes of holding competitions etc. The number of occasions will however be kept to a minimum.
