LAKE RULES AND REGULATIONS:

1. The following rules and regulations are present to ensure all visitors at Wyreside Lakes have a safe and pleasant stay - we appreciate your cooperation. Any persons found not complying with any of the above regulations will immediately be asked to leave without refund.
2. Only fishing bivvy's are acceptable. Tents or fishing from vehicles is strictly prohibited. Any angling equipment cannot be left unattended at any time.
3. 1 dog per angler is permitted - dogs must be on a lead and dog foul must be cleared up and disposed of in the correct receptacle.
4. Our memberships are offered to strictly over 18's.
5. Strictly no male non fishing guests. 1 guest is permitted, either a partner or a child (under 15). If you have a guest, they must be signed in & a camping fee must be paid at reception.
6. Doubling up on swims is not allowed - Swim monopolizing between season ticket holders is not allowed.

7. All visitors (Including season ticket visitors) must report into reception before entering onto the property. Visitors are not allowed to drive around the fishery and must park in the main car park adjacent to the security barrier. They must also pay the appropriate parking fee and display the ticket in their vehicle window. Visitors are not permitted after 7pm in the summer months and 4pm in the winter months - a maximum of 2 visitors allowed any time.
8. On entering on any booking via the online booking system or via reception you agree to abide by all the fishery terms and conditions. You also understand that you may be asked by a fishery bailiff to reel in your rods for inspection at any time, and that your vehicle may also be inspected.
9. Strictly barbed hooks only on all carp waters.
10. 'Sensible' rigs must be used, and in the event of line breakage the 'lead' must be able to free itself from the rest of the terminal tackle easily.
11. Main line must be 15lb minimum, No lead core of any kind to be used. No tapered line to be used. Braid and shock leaders can be used on marker and spod rods only.
12. Particles are allowed however these must be prepared properly are shop bought.
13. Strictly no nuts of any kind and no pellets are allowed unless they are the same as the type we have in are onsite tackle shop, if bring them with you they must be brought in sealed packet for you to be able to use them
14. When using a Spomb, a Spomb float must be used.
15. No remote-controlled bait boats or floating aids to be used and no drones.
16. No sacking of fish apart from to get you camera etc set up max 30 minutes.
17. No Fires & No weapons of any kind may be taken onto the Fishery.
18. Swimming and tree climbing are strictly forbidden.
19. All anglers must observe a maximum 3 rod limit (4 rods are allowed for pike fishing and carp in the winter months only from October - March). No rods may be left unattended with lines cast in or with baited hooks, this includes marker floats (no further than one swim). Anglers must hold the appropriate EA license.
20. All fish must be returned to the water safely and quickly after any photos. Each individual angler must have an appropriate landing net (38inch) and large beany unhooking mat or cradle. All nets and mats must be disinfected on arrival.
21. Under no circumstances are fish to be transferred from one lake to another.
22. All anglers fish on Wyreside Lakes at their own risk. All anglers must sign in on arrival at reception.
23. Anglers must behave responsibly with regards to the intake of alcohol when fishing on the lakes. We uphold ZERO TOLERANCE TO DRUGS policy.
24. Cars must be parked in the designated parking areas. Under no circumstances should vehicles be driven around the lakes or on any grassed areas.
25. The security barrier is manned during the following seasons / times: June to August 7am until 8pm. September to October (date the clocks go back) 7am until 7pm. October (last week) until 31st March 8am until 5pm. 1st April to May 31st 7am until 7pm. There will be strictly no admittance after dark. All anglers must report their catch status to a member of staff in reception on leaving and the barrier will be raised. Members are not allowed to raise the barrier themselves from reception.
26. Any Anglers (including members) who use the bar at the weekends must ensure that their rods are not left in the water and understand that all their equipment is left at their own risk. You will be allowed a sociable drink only - any evidence of excess alcohol will result in refusal of service by the bar manager. Under no circumstances should you drive from the bar back to your swim - anyone found doing this will be asked to leave (without refund) the property in the morning and given an automatic ban.
27. Anglers should note that the Fishery entrance will be secured at night. The main gate will be locked and re-opened at the scheduled times. There is an emergency number for overnight anglers, but this is strictly for serious emergencies only. Work call outs are not classed as an emergency.
28. If you have a fishing dispute with any other angler which cannot be reasonably settled, please call reception on 01524 792093 and ask for a bailiff.
29. Members are permitted to fish for 48 hours in any one week - 1 week is based on Monday – Sunday. Each individual angler is allocated 2 weeks holiday per year; however, this must be booked at least one month in advance.
30. You can purchase extra nights throughout the year at a discounted rate of £27 per night – however extra nights are not available to purchase in the months of May and June.
31. Members are responsible for any guests at the fishery and any unacceptable behaviour will impact on your membership.
32. Please ensure that you keep all your fishing tackle and equipment within eyesight, where possible, leave your bivvy door unzipped and open. Any equipment such as spare rods, spod or marker rods, bank sticks etc not being used should be packed down and stored in your car or bivvy. Wherever possible try to fix the volumes on your alarms so they cannot be removed without noise. Please report anything suspicious, 24hrs a day, to our bailiffs on either- or 07715490325 or 07739039307 or 07947772026. If possible, make sure all your fishing tackle is insured for use on the bank, both day and night. Most reputable insurers will cover this if asked. The tackle company, Korda, now offer a specific insurance for anglers. Unfortunately, thieves do operate in this area (as commonly found in and around most commercial fisheries) although we have CCTV cameras, a barrier and the main entrance gate; there are several other access points around the fishery and public rights of way which are difficult to monitor 24hrs a day.
33. All members must have a life jacket to use the fishery boats and be able to swim unaided for a min of 25 metres. If you do not have a life jacket you will not be permitted in a boat and must ring a bailiff for assistance. Anyone found in the boat without a life jacket will be banned for a period of 3 months. You must inform another fishery member that you are utilising the boat - if you are alone on the water you must ring a bailiff – Callum 07715490325. Boats are for unsnagging of fish only. Any members found misusing the boats will be banned for a period no less than 3 months.
34. No baiting poles of any description.
35. Shock leaders are going to be allowed on a trial basis – with a max of 24 feet which may be used - strictly mono or Fluro carbon only no braided. 15lb minimum main line to be used.
36. Please note: - Banton's and Wyre lakes are not syndicated waters - they are membership waters which entitle you to a greatly reduced price of fishing on two of the Northwest's specimen carp waters. Although we do appreciate (and value) any input or comments from our fishery members - members do not have any constitutional rights to how the lakes / or fishery business is conducted.
37. We reserve the right to close the lakes throughout the year for maintenance, health and safety purposes and also for the use of our annual fishing matches in March and September. Both lakes are also open to a maximum of 6 day ticket anglers – from July -September mid week only. From October-April 7 days a week and the lakes will be closed to non members in May and June each year.
38. Wyreside Lakes are not liable for refunds, expenses or ticket extensions in the event that you are prevented from fulfilling your membership as a result of circumstances beyond their control. Such circumstances shall include (but not be limited to) inclement weather, fish spawning, pandemics, war, terrorism, riots or civil unrest, industrial action, flooding, natural disaster, epidemics, health risks or such similar events ("Force Majeure") – this is not an exhaustive list.
39. PLEASE NOTE OUR FOOD DELIVERY IS 7 DAYS A WEEK APRIL TO OCTOBER & WEEKENDS ONLY BETWEEN NOV & FEBRUARY.
40. We reserve the right to make any amendments mid-season if deemed necessary for the safety and welfare of our clients and / or if there are any legislative changes.
